FAMILY CHALLENGE

So, what is your favorite book or movie? What is your favorite part and why? It's amazing how people can burst into a clear description of an action scene or share how that movie impacted them. It is fun to see how people in the conversation often bring in other key points that brought them to tears or filled them with joy. Today, your child talked about an incredible book, the Bible, and viewed it as a big picture. Our travels through the Bible this year have taken us from the Old Testament, where God has shown us His plan of salvation, to the New Testament, where that plan became a reality through Jesus. I encourage you this week to talk about the Bible by using the following questions.

Family Discussion Questions

- What is your favorite person in the Bible? Why?
- What was one of the most action packed sections/stories of the Bible?
- What part of the Bible makes you recognize God's greatness?
- If you became one of the people in the Bible, who would it be?
- What is your favorite book of the New Testament? Why?
- What is your favorite book of the Old Testament? Why?

What did you discover?

1. Why did God give us the Old Testament?
2. Why did God give us the New Testament? So that we can know how to be saved from our sins, how to live once we're saved and so that we will know we will have eternal life in Heaven.
3. What can we know from God's Word?
4. What can we do with the truths that we know from God's Word?

Xishuangbanna (Shish-wang-banna) – Southwest China ~ From the Land of Twelve Thousand Rice Fields

The Dai Lu people are from Xishuangbanna. They grow tropical fruits and there are more rice fields than you can count. Xishuangbanna means the land of 12,000 rice fields. The people there are Buddhists. They believe that they must learn to read the Buddhist scriptures to earn merit for their next life when they come back as another person or animal. There are very few Dai Lu Christians.

- THANK God for the few Dai Lu Christians in Xishuangbanna.
- PRAISE God for each person working on translating the Bible.
- ASK God to help the Dai Lu understand that good things will not get them to heaven.
- PRAY that Han Chinese Christians in Yunnan will show the Dai Lu how much God loves them.
- ASK God to show the Dai Lu that they can stop worrying about evil spirits and trust Him.
